

## Monte Mucho Region Bird Checklist

The furnished bird list is an attempt to create a register of all species observed or expected in the Monte Mucho region. It is intended to indicate which species are probable or likely to be observed with diligent effort in the appropriate habitat and season.

Compiled by Jim Hailey, February 2006. Updated by Raul Delgado and Daniel Perales, August 2017. Species names and taxonomic order follow the American Ornithologists Union *Checklist of North American Birds*, 7<sup>th</sup> edition (1998).

**S** = summer resident & migrant; **W** = winter resident & migrant; **M** = migrant only, spring &/or fall; **R** = resident, \* =breeding; + =also found in small numbers in winter  
**RD** = rare, documented
